Pawòl Selès Ministries

Carrying the light. Transforming lives.

A gospel music ministry carrying a message of salvation, hope, and God's love through music, praise, and worship.

WHO WE ARE

The message is greater than the music.

Pawòl Selès Ministries was created with one purpose: to glorify God and share the message of Jesus Christ through music. For us, music is not simply performance. It is worship, service, and a way to carry God's Word to people searching for faith and hope.

OUR STORY

After releasing his first solo gospel album, Kamera Selès, Maestro Winel Jean-François brought together musicians who shared the same calling. In March 2011, Pawòl Selès held its grand premiere and launched its first album, Oh Mon Dieu, at Wingate High School in Brooklyn, New York.

From the beginning, the vision was never simply to form a band. It was to build a ministry where the message of Jesus Christ is always greater than the music.
